

BRIGHTSAND LAKE REGIONAL PARK AUTHORITY
IMPORTANT INFORMATION FOR ALL PET OWNERS VISITING IN THE PARK

Due to the increasing number of pets in the campground, the following rules will apply:

- 1. Pets must be kept on leashes at all times.** If a pet is found loose, it will be taken to the SPCA in Lloydminster. All costs involved will be the responsibility of the pet owner.

- 2. You must clean up after your pet.** Please bag it and put it in the garbage containers. Do not put unbagged waste in the containers. If everyone fails to pick up after their pets, soon there will be nowhere for the kids to walk without stepping in pet waste. Think about it!

- 3. Absolutely no pets are allowed on the beach, in the playground or mini-golf areas.** These are sign posted; please obey them.

- 4. Dogs with aggressive behavior are not allowed in the park.**

- 5. Barking dogs will not be tolerated.** If your dog is agitated by the squirrels, put it in the camper until it is acclimated to the forest around it. When you leave your campsite, put your dog in the camper or in a kennel. Do not leave dogs unattended in a campsite. Children may cut through a campsite and encounter a dog trying to defend its territory. Dogs have a tendency to bark or howl for their owners when they are left alone in a strange place. If your dog is howling or barking while you are gone, it is not pleasant for your neighbours. Make sure your dog is inside and comfortable, so everyone else can enjoy their stay too.

- 6. Pet Evictions:** If you do not comply with the above stated rules, your pet may be evicted. It will be up to you if you leave with your pet or not – as long as the animal is taken out of the park. No refunds will be issued if you leave for this reason.

Dogs will be monitored by park staff, but it is difficult for them to spot all potential problems. If you feel that a particular pet is causing a problem, please report it to a staff member or at the main office. It will be dealt with in confidence. Thank you for your consideration of others and enjoy your stay with us.
